

Saint John the Baptist Catholic Cemetery Children Section Burial Policy

Parents, or grandparents, who presently own a grave site in Saint John's Cemetery and have the death of a child, or grandchild, may elect to have that child buried in the cemetery's children section. There will be no charge for this burial site as long as parents, or grandparents, are active members of parish.

Non-members of parish may elect to have a child buried in children section of cemetery, but they must also purchase at least one standard grave site at the normal cost for a non-members.

The following rules must also be followed for this burial to take place.

1. The next available gravesite in section will be used.
2. Infant's information must be recorded in burial records.
 - a. Child or infants name
 - b. Date of birth
 - c. Dated of death
 - d. Date of burial
 - e. Mother's or parents name
 - f. Individual preforming burial
3. Burial lots in this section are 4' wide x 8' long. Burial should be in center of gravesite. Gravesites are marked with steel pins in ground.
4. Burial should be performed by only a qualified individual and site properly located.

This grave must be marked with a stone monument within a one year period.

Stone must be placed in center of south border of grave.

The following information should be included:

- a. Name
- b. Year of birth
- c. Year of death
